About Me

I am a passionate Frontend Web Developer with a strong focus on creating visually appealing and user-friendly websites. I specialize in HTML, CSS, JavaScript, Bootstrap, and React, and I enjoy turning ideas into functional digital experiences. I love learning new technologies and improving my skills through real-world projects and challenges. My goal is to build efficient, responsive, and creative websites that solve user needs and provide seamless interaction.

Experience

- Frontend Developer Intern ABC Tech Solutions | June 2024 – Aug 2024 • Developed responsive web pages using HTML, CSS & Bootstrap • Improved website performance by 25% using optimized JS code • Worked with a team using Git & GitHub for version control
- Freelance Web Developer Self-Employed | 2023 – Present • Designed and deployed 10+ websites for small businesses • Customized portfolio sites using React, Tailwind & APIs • Integrated contact forms & email automation for clients
- Web Development Volunteer Open-Source Community | 2024 • Contributed to UI fixes, bug solving, and documentation • Helped improve accessibility for visually impaired users
- Collaborated remotely through GitHub issues & pull requests
- Campus Web Coordinator Tech Club, University | 2023 – 2024 • Managed club website and event registration portal • Created posters, event pages and student login panel • Increased website traffic by 40% through design updates

Education

- Bachelor of Computer Science XYZ University | 2022 – 2026 (Pursuing) CGPA: 8.7 / 10
Relevant Subjects: Web Tech, DBMS, OOP, OS
- Web Development Certificate Udemy / Coursera / FreeCodeCamp Skills Covered: HTML, CSS, JavaScript, Bootstrap, React
- HSC – Science Stream ABC Higher Secondary School | 2022 Percentage: 86%

About Us

Our Story

We are a creative web development agency based in India, dedicated to building modern, responsive, and user-focused digital experiences. Our team specializes in front-end development, UI/UX design, and full-stack web solutions. Since 2023, we have helped startups, businesses, and freelancers turn ideas into fully functional web platforms. We believe in clean code, strong design, and building long-term collaborations with our clients.

Meet Our Team
